EXPRESSION OF INTEREST

Sculpture Bermagui is calling for expressions of interest to participate in the exhibition to be held from Friday 9th to Sunday 18th March 2018.

The purpose of the submission is for the curatorial panel to gain a clear indication of what the finished work will look like and how it will be installed if your work is selected. This will enable the panel to provide you maximum support leading up to and during installation.

Submissions close **Wednesday 15 November 2017** – extended
