EXPRESSION OF INTEREST

Edgy Art Inc is now calling for Expressions of Interest (EOI) for:

SCULPTURE Bermagui exhibition - from Saturday 6 March to Sunday 14 March 2021

Category: 'On The other side'

Entrants in 2021 will have the choice to have their work/s considered under this category. If selected, you will be asked to indicate which work, if any, you wish to be considered. Both Outdoor and Indoor works are eligible..

The curatorial panel requires a clear indication of what your finished work/s will look like and their installation requirements. This enables provision of maximum support to those selected. The Official Selection is made from the EOIs received.

Acceptance of EOIs closes on Sunday 31 October 2020
