

APPLICATION FORM

Narra Bukulla Artist Program (Artist in Residence)

Residency dates: 20 October – 20 December 2026

Location: Narra Bukulla, Tanja, NSW, Australia

Applicants are encouraged to read the Narra Bukulla Artist Program **webpage** carefully before applying. The assessment criteria published there directly inform the structure of this application.

1. Applicant Details

- Full name
- Preferred title
- Mobile number
- Email address
- Postal address
- Website / online portfolio (if applicable)

2. Project Proposal & Alignment with Narra Bukulla

(Assessment: clarity of project and alignment with ethos)

Written response (maximum 600 words)

Please describe your proposed project, addressing:

- the core concept and goals
- relevant research, methods, materials, or processes
- how the project aligns with the ethos of Narra Bukulla, including its environmental, cultural, and residential context

3. Artistic Practice & Previous Work

(Assessment: quality of previous work)

Please attach:

- Curriculum Vitae (CV)
- Up to 10 examples of work, including title, year, medium, dimensions, and exhibition history where relevant.

Select works that best demonstrate the quality and relevance of your practice to this residency.

4. Artist Biography

Please attach a biography (maximum 400 words).

5. Career Development

(Assessment: contribution to artist's career)

Written response (maximum 200 words)

How do you anticipate this residency contributing to your artistic development or career at this stage?

6. Community Engagement & Public Outcome

(Assessment: contribution to community and Sculpture Bermagui)

Written response (maximum 250 words)

Please describe:

- your proposed public engagement during the residency, and
- how your practice may contribute to the local community and/or Sculpture Bermagui.

Outcomes may remain exploratory and do not need to be fully resolved at the time of application.

7. Project Viability

(Assessment: feasibility)

Written response (maximum 200 words)

Please comment on the feasibility of your project within the two-month residency, considering time frame, resources, site conditions, and location.

8. Technical & Material Requirements

Please list:

- tools required
- equipment required
- space or technical requirements

9. Living on a Private, Shared Property

(Assessment consideration: respect for boundaries)

Narra Bukulla is a private, shared residential property.

Written response (maximum 150 words)

Please briefly reflect on your experience of shared or residential living or working environments, and your approach to privacy, boundaries, and respectful coexistence.

10. Accessibility & Alternative Formats

We welcome applications in alternative formats (e.g. video or audio), provided all sections above are addressed.

Please list any accessibility requirements you wish us to be aware of.
